WATERSIDE COMMUNITY COUNCIL

MINUTES OF MEETING HELD ON TUESDAY 8 OCTOBER 2019

Present: (Vice Chair) S. Wilson. (Secretary) J. Whyte. (Communications) C. Lilly.

(Treasurer) K. Chesney-Bathie. (Inter. Tenant) E. Carlin.

Cllrs. S. MacDonald, S. Murray.

Also in Attendance:

P. King, J. Quigley, C. Willson, T. Willson, D. McFadden, M. Todd.

Apologies: Cllr. Jamieson, Chair. J. Herriot.

No Police presence.

(1) In the absence of Chair J. Herriot, Vice Chair chaired the meeting; he thanked everyone attending.
(2) Meeting commenced at 7.35PM.
(3) Introductions were made.
(4) No police report.
(5) ASN UPDATE. This is now in the hands of Barton Willmore, consultant planners and designers, who suggested coming to our meeting to give a 15-20-minute presentation; however, since J. Herriot was on holiday when this was to be arranged, it could not take place for this meeting. The items that were to be discussed were focus workshops on the design/facilities of the proposed school. Meeting to be arranged for Monday 14 October at 7.30pm in the Miners Lounge.
(6) ENVIRONMENT UPDATE. Report of hedge cuttings being dumped on top of Japanese knotweed by the Luggie. D. McFadden said he had given permission, based on agreement landowner regarding the knotweed. Owners had been upset by querying with council and of workers.
Councillor Jamieson had emailed that the last garden waste uplift was 16 November. Council hedge cutting continuing into October.
(7) BOUNDARIES UPDATE. Cllr. Murray produced copies of maps from Martin Cunningham with existing and potential community council boundaries relating to Woodilee involving Kirkintilloch, Lenzie and Waterside community councils. It was suggested that Old Duntiblae Road (incl. Archie's and the Miners Club) and Crossdykes would stay in Waterside (Market Road being the boundary, meaning proposed CALA houses behind Miners Club would also remain in the Waterside area); current Woodilee Village would all become part of the Lenzie Community Council area. The council did not wish to impose a solution, however. It would be up to the community councils and the Woodilee Residents Association to agree a solution. Allocation of community council monies would not change as they are not based on a per capita calculation (though theoretically that could happen in the future). An online survey of residents in the Waterside and Woodilee areas to take place to ensure people are happy with the decision. A meeting to be facilitated by Martin Cunningham with representatives of the community councils and Woodilee Residents Association.
(8) TREASURER'S REPORT. The balance standing at the moment is £7,042. 44p. This is including CRT monies still to be paid out. Realistically we have about £2000.
(9) DEFBRILLATOR UPDATE.

C. Lilly has applied for a £400 EDC community grant for the cover. Discussions still going on with the St John's ambulance and British Heart Foundation. WCC had applied for a Kirky phone box, but no news as yet.

(10)MINERS CLUB UPDATE.
A meeting will be held on Thursday 10 October involving CRT and feasibility study consultants to discuss future plans. J. Watson had retired, and therefore resigned as chairman.
S. McDiarmid now appointed as Treasurer. The boxing night arranged by Waterside Village Events had been a huge success and proved to be profitable.

(11)CONTAINER UPDATE. Luggiewatch have erected some shelving but the other groups would have to decide on shelving suitable for their particular requirements.

(12)AOB. A replacement bin was requested for the bottom of Taig Road. S. Wilson put in a request for the dog bin situated on the grass area at the bottom of Moss Road be moved onto the fence next to the path, the reason being when there has been wet weather people are refusing to use the bin as they are likely to get their feet soaked.

(13)Street lights keep flashing on and off in different areas. S. Wilson is taking a note of the numbers and will report to Cllr. MacDonald.

(14)Dog fouling is still an ongoing problem.

(15)There is an LDP2 community group session on 17 October in the Memorial Hall, Bishopbriggs. C. Lilly intending to attend. There will also be drop-in sessions. C. Lilly to circulate dates. Transport and traffic drop-in session is scheduled for 30 October.

(16)Events team has arranged a Halloween Party on 1 November at Miners. Fancy dress.

(17)D. McFadden mentioned his work training CRT ambassadors on use of Moodle. He will upload our action plan to the Moodle website.

(18)There was no correspondence this meeting.

(19)Date of next meeting will be Tuesday 12 November.

(20)Vice chair thanked everyone for attending tonight's meeting.

(21)Meeting ended 8.50pm.
